The screenshot shows a PDF editor window with the title "Take Control of Your Paperless Office (1.1).pdf - Edited". The interface includes a sidebar with document thumbnails, a main viewing area, and a top toolbar with options like Zoom (100%), Scale, Up/Down, Page (24), Inspector, Library, Connect Text, Highlight, and Insert. The document content features a "DRAFT" watermark in the top right. A yellow note box on the left says "Please capitalize 'before'". The main text includes a section titled "Head Off Most Paper before It Reaches You" with a "DRAFT" watermark. Below this is a section titled "Sign Up for Paperless Billing". At the bottom right, there is a blue advertisement for "Smile" PDF editing software, which lists features such as adding text and signatures, signing and returning agreements, using iCloud and Dropbox, and a new Microsoft Word export feature in version 6. The Smile logo is also present in the advertisement.
