He has his way, fucking her hard and deep while she struggles against the ropes and the shameful feeling that her body is responding to the feeling of the hard thrusts.. Sher begins to beat the crap out of him, but he gets a mask over her face and puts

her down.. He gropes her, makes threats and spansks her ass with no mercy He says he doesn't have time to do what he wants with her since his hide- out has been discovered but also letting her know that if she comes looking for him again he will have to get more "intimate"PART 2.
